Holiday Review

Christmas & New Years were busy times at the Resort aCocoLaPalm again this year. Although we've always had activities, the staff made an even stronger effort and added several new ones this year, giving adults and children the opportunity to be as active as they wished.

Christmas week we combined our **Managers Party with the Staff Awards, Birthday and Appreciation Ceremony** which everyone enjoyed including the entertainment by the mento band. One evening we had a **Staff & Guest Talent Show**, which was also a big hit. We were all impressed with the level of talent in our midst (Carlene, what a voice). In addition to celebrating **Christmas Day** for it's true meaning several beach activities were in motion for kids and adults. All in all a great week.

New Years Eve Day was filled with **activities and entertainment** for the entire family. The **Beach Party** kicked off with the lighting of the **bonfire, on the beach**, at 10:30PM. Everyone were given **party hats and horns** for the big event. **Fireworks** lit the sky as guests and staff alike blew their horns to usher out 2009 and welcome 2010.

Christmas and New Years

are times for family, friends and good cheer. **Thanks to all our valued guests** who continue to share this and other special moments with us at CocoLaPalm Seaside Resort each year. For our new visitors, 'welcome' as we look forward to calling you our valued repeat guest!
