THE GUEST BOOK**

My boyfriend, daughter and I spent last week at CocoLaPalm and we had a wonderful time. We found the staff to be very friendly and accommodating (especially Mike at the beach who always made sure we had dry towels and chairs!), we loved the beautiful water and the very relaxed atmosphere of the resort. We hope to visit again in the future. Now that we are back home and have returned to school and work, I find myself daydreaming about Jamaica and CocoLaPalm and missing the warmth of the sunshine and the beautiful people! If you get a chance to visit - go!!
