**YOU SHOULD
KNOW**

Beginning Dec 31, 2005 a passport is necessary to gain entry back into the United States from Jamaica. As a result of this change in the law, you will need a passport. Be sure to allow at least six weeks to get your passport. Apply early.

Drugs are illegal in Jamaica. Please help keep CocoLaPalm drug free.

**NEW THINGS AT
COCOLAPALM**

We are pleased to announce that there are several upgrades taking place at CocoLaPalm this summer. They include an expansion to the Gift Shop, new curtains in the 300 & 400 blocks, some new refrigerators, new pool umbrellas, tables, and every day items

Is CocoLaPalm the right place for you?

With lots of hard work and a very dedicated staff, our guest comment cards showed a 98.6% satisfaction level over the past winter season. Thank you for all the wonderful comments.

What we are; a comparatively small resort that is Minnesota family owned offering great food and service, right in the heart of the seven mile beach. We provide a genuine Jamaican vacation experience, without all the hassle of vendors. We are about walking the beach, playing in the water, enjoying the pace we all dream about the other 51 weeks of the year. If you are looking for activity and nightlife, you are in the middle of it. The beach of Negril is your footpath to live music, shopping, other great restaurants and an endless array of water activities.

We are not; an all-inclusive, stand in line for food, loud music at the pool and adults only property.

It is not a matter of right or wrong, it's a matter of choice. Choose wisely! If you choose us we will likely become lifelong friends.

**EXCERPT FROM
THE GUEST BOOK**

We went to Negril for the first time in Nov 04, we booked another hotel , However as soon as we set eyes on Coco La Palm we just had to switch to there. This hotel was wonderful, everything from the staff to the location to the rooms made our stay perfect. Its set on a wonderful white sandy beach, right near everything but far enough away at night so that you don't hear loud music or noise. The room was great and we paid a little more because we wanted a large balcony and double shower. The staff were so friendly and Rocky on the beach had our chairs ready each morning in the same spot we liked, what a hard worker that man is ! All the staff in the beach bar were great and as for security, Coco has possibly the best I have seen on my travels.

Thank you CO CO , WE SHALL BE RETURNING VERY SOON .
