**IT'S BEEN EXTENDED**

The US Department of Homeland Security has announced a delay of one year in the implementation of passport requirements for the US citizens returning from the Caribbean. As a result beginning Dec 31, 2006 a passport is necessary to gain entry back into the United States from Jamaica. Be sure to allow at least six weeks to get your passport. Apply early for there is sure to be a rush towards that final date.

**PERSONALIZED WEDDINGS**

Island weddings have become so popular and chic these days it seems almost all island Resorts are “specializing” in destination weddings. So, from an individual’s, or wedding planners , viewpoint how do you compare values price without compromising ambience, wonderful memories, and romance and value??? Where do you start? Start with beautiful CocoLaPalm, in the middle of famed 7-mile beach and use us as your benchmark. We’re not a wedding ‘factory’, but we average a wedding each week, so we have the experience! Weddings at CocoLaPalm start at \$695 and includes:

- Minister & Lawyer fees
- Messenger service & transportation of documents (then you only need to be ‘on island’ 24 hours prior to the ceremony))
- Wedding Bride’s bouquet
- Boutonniere for Groom
- Bottle of Champagne
- Wedding Cake
- Decoration of wedding location (beach, pool areas, etc)
- Memories that last a lifetime!

Additionally you benefit by;

- **“Event of The Day”** attitude of our property & staff (not wedding #4 at 2:45PM by Pool 3)
- **“Wedding Party Friendly”** Mom & Dad, Grandpa & Grandma, kids, friends, whomever, will all feel welcome and at home here. If they aren’t guests at our property **they don’t need day passes** to attend the ceremony!
- **If your entire party choose to stay at one location, we welcome ALL ages.**
- **Location Selection** is up to you!!! It’s your day. We’ll decorate where ever you choose!
- Select an area by a **webcam** and your friends and family back home can watch the ceremony (green with envy of course)
- **Affordability!**

Our commitment is to provide wedding parties with a level of personal interest and care you never thought available away from home!

CocoLaPalm is your best Wedding Home. Your best Anniversary Choice. Your best Family Vacation Destination.

Checkout our website for some great testimonials and pictures from previous guests and wedding parties and you will see why we could be the right choice for you!

Are free weddings really the best value? We don’t think so.
